SERVICE CENTER

With the current guidelines in place, we are unable to have the Service Center open 24/7. Due to COVID, our operation has had to make changes to further ensure your safety. We will be disinfecting appropriately between each person, and we will regulate capacity inside the facility. A staff member will be on hand to ensure both of these duties are taken care of and security personnel will also make regular rounds. We realize the need for campers to have access to the Service Center, so it will be open set hours in the morning and the late afternoon/evening. Please check with the Show Chair or RV Chair for the agreed upon set hours or check with Site Security by calling 636-221-1428.

The off-leash exercise areas will only be open during the established set open times for the Service Center. Only dogs from the same household or those who traveled together may use the off-leash exercise area at a time.

HEALTH SCREENING AFTER ARRIVING

A daily health screening plan has been put in place for all overnight guests. Site Security will be available until 9a.m. each morning at the Service Center for temperature testing & review of the health questionnaire. If for some reason you miss the screening time, please contact Site Security at 636-221-1428 to make arrangements for testing. Site Security keeps track to ensure all guests have been properly screened daily.

PROPERTY ACCESS

As part of our updated COVID guidelines, guests do not have access to the property outside of where there is designated camping or where the event is taking place. Guests are limited to the RV lot and the space specifically rented for the special event. All guests need to be accounted for at all times for safety reasons.

We appreciate your understanding of the enhanced safety protocols and your adherence to these updated guidelines. We ask for your patience and cooperation as we all work together to stay safe and healthy.

Thank you
